Inam land Survey
No 180 which formerly be-
longed to the Palace was
under instructions
from the late Maha Rajah
sold to Mallaraje Urs in
Salivahana Sakha 1736
In 1855, Mallaraje Urs
mortgaged this land for
Rs. 1000 to one ~~Chenna~~ ~
Jinachendrah, an employe
in the Palace and later
on in 1861 entirely sold
it to him for R. 1260.
The land while in pos-
session of Mallaraje Urs
was free of Kandayem
and the same right was
enjoyed by the mortgagee
as well.

Things however remained
undisturbed until Sur-
vey Settlement, when it
was discovered that this
land

others were not included in the list of Inam lands, nor were there any documents to prove that they were such, and therefore they were all fully assessed.

Channa Chendriah then applied to the Inam Superintendent requesting to be allowed to continue to enjoy the land free of Kandayem as before, on the grounds, that with the land the Palace Department sold to Mallaraje Urs the right it had till then enjoyed, namely, free of Kandayem; and in like manner, when he purchased the said land from Mallaraje Urs. that right was transferred to him.

The following documents accompanied

accompanied his appli-
-cation :-

(1) Copy of letter No. 260 dated 5th February 1878 from the Commissioner Ashtagram Division to the Deputy Commissioner directing Mysore District, that no kandayem should be levied on Chenna Chendriah's land until final disposal of the question as per orders issued in 1851 by the then Inam Superin-
-tendent.

(2) Unstamped bond executed by Chikka Malla-
-raje Urs selling away all his rights upon the land to Chenna Chendrah for Rs. 1260.

(Vide his no. 14 of 15/18 - 4 - 87)

The Inam Superintendent referred the case to the Amildar of Mysore for enquiry and report. and the Amildar served Chenna

a notice directing him to produce all documents in support of his claim and to present himself before him on 5th May 1887.

Chenna Chendriah, on examination, deposed to the effect that he had been enjoying this and another land (no. 181) ever since 1855 as stated in his previous application, and cited the late Athtagrau commissioners letter referred to above, in support of it. He also submitted a stamped bond under which the land in question was mortgaged to him for Rs. 1000 by Chikka madarajé urs. The Shanbog who was also examined stated that there are several

several other lands
which at one time
belonged to the Palace
and which afterwards
passed on to others' hands
and that no Kandayem
was ever paid on them

(Vide his no. 1243 of 7.12.87.)

The Amildar replied
to the Inam Superin-
tendent as follows:—

" The 2 lands nos 180
" and 181, aggregating
" to an assessment of
" Rs. 6 7/- are the ones
" referred to by the
" applicant and
" are situate below
" the bank of Devaraya
" Samudra. A re-
" -mark that the ques.
" -tion has to be

" -gainst them by the
" Jamabandi officer
" during the time of
" Survey Settlement.

Formerly

"belonged to the Palace
" Department and no
" Kaudayem was ever
" received on it.
" In Shalivahana Sakha
" 1736 Mallaraje was sold
" to the Complainant -
" land no 180 which
" formed a portion of
" that given him by the
" late Maha Rajah
" Land no 181 which also
" formed a portion there-
" -of was mortgaged to
" this man by Chikka
" Mallaraje Urs in 1855.
" The question was once
" discussed in 1878,
" when the Divisional
" Commissioner instruc-
" -ted the Deputy Commis-
" -sioner to pose not to
" Collect any Kaudayem
" until a further order
" was received on the
" subject.

These

"Inam Settlement. They
" have however been en-
"-joyed free of Kandayem
" either by the Palace De-
"-partment or by others
" to whom they were sub-
"-sequently mortgaged
" or sold and this ap-
"-pears to be the only -
" reason why Kandayems
" are not being recovered.
" A list of all such lands
" has been called for by
" the Survey Superintend.
"-ent. It is under pre-
"-paration and will be
" forwarded to him when
" ready".

The Superintendent
of Inam Settlements for-
-warded this report to the Survey
Superintendent and en-

been taken by him as

to

the

(Vide his no. 362 of 2012-87)

and other lands of similar nature alluded to by the Amildar and the Survey Superintendent in reply stated that the matter was one entirely within the province of the Inam Department to settle and that instructions were however given to the Amildar to treat them as temporary Inam lands, until the question was finally settled.

The Inam Superintendent then ordered (Vide his no. $\frac{682}{1347}$ of 14.2.90.) that unless the owners of these lands produced sufficient documentary evidences, they could not be allowed to continue to enjoy the privilege and that it would become necessary to issue orders

for

for the lands being assessed.

A notice was accordingly issued to these persons by the Amildar on the 5th August 1891, but only the following few documents are reported to have been received in his (Amildar's) Office and forwarded on to the Inam Superintendent with his report. The other land holders have neither submitted any papers in support of their claims nor have they given their depositions in person.

(No. 872 of 5-12-91.) .....

(1) Deposition of Chenna Chandriah taken on the 27th March 1890.

(2) A memorandum from the Parkalaswamy mutt, with reference to the

the building site of Devaraj'urs.

(3). Letter from Chikka Ling Raj'urs forwarding copy of a Sannad granted by the late Maha Rajah in support of the Garden held by him as Inam.

(4) Petition no. $\frac{0}{347}$ of 14.9.91. from Seetha Bai daughter-in-law of Regimentdar Hanumanth Row, forwarding the deed of sale of the land owned by her.

(5) Application from Nandiraj'urs forwarding a Sanad from the late Maha Rajah granting as Inam the garden near the village of Bilavatta to Naugabha of Turavekere, as also the deed under which the same was sold to him by Kaveadan Basappa

Basappa, brother-in-
law of the said Nanjap-
-pa and contending
that Kandayem
should not be re-
covered from him

The Kaccarese list on
this file comprises of all
the lands now enjoyed
free of Kandayem, both
supported and un-
-supported by docu-
-ments &c.

The matter has now
been referred to the
Government by the Inam
Superintendent for favor
of disposal.

By order, P.J.O

Simply because no assessment was levied from the Sovereign of the Country when they were in his own employment, it cannot on that ground alone be contended that a transfere of such land is entitled to claim the exemption. The special circumstance which operated as an impediment for the incidence of the general taxation no longer exists and the general rule applies. 1. Vide the correspondence ending with Mysore Táluk Amildar's report No. 872/325 dated 5th December 1891.

2. The Survey Superintendent, with his vernacular Yadi No. 313/500 dated 29th January 1890, forwarded a list of lands that had been enjoyed as Inám in 10 villages by the parties concerned without any payment of Kandáyem to Government up to the Survey settlement, when they have all been fully assessed as they were formerly classed as "Bagar Jerige" lands, pending the final disposal thereof by this Department. Orders were, however, passed by the Survey Department not to collect the amount until final disposal.

3. The lands in question are not entered in any of the Inámti accounts, nor have the parties produced any documentary evidence to support them as Inám, save the enjoyment without any payment of Kandáyem to Government; consequently dealt with strictly under Inám Rules, the lands would be considered as "Gyre-dákhale Ináms.

From The Supt. of Inam Settlements
To, The Secretary to the Chief Commissioner Revenue Deptt.
No. 1018 of 3rd Nov 1879

Sir,

In forwarding copies of the Register in cases Nos. 43 and 44 of the Kusbah of Mysore, I have the honor to request the Chief Commissioner's instructions as to whether such grants made by His late Highness the Maha Rajah out of the Crown lands subsequent to the assumption of the Government of this Province are to be dealt with by this Department.

2. It would appear to me that the act of His Highness has severed these lands from the Crown lands, and that they should be dealt with in the same manner as the other Inam lands of the Province.

3. The Sanads noted in the margin are also herewith submitted.

(Signed) Robt. Cole.

1. Letter from His Late Highness to his daughter Kempa Kangam = mani dated 12th May 1834.

Proceedings of the Chief Commissioner of Mysore Revenue Department

Letter from the Superintendent of Inam Settlements No. 101 of the 3rd inst.

=tions as to whether grants made by
His Highness the late Maha Rajah
out of his private lands subsequent to
the British Assumption of the Govern=
=ment of the Province are to be dealt
with by the Inám Department. ——

Order thereon - No 4376 / R. 779 dated Camp
Shimogah 22d November 1879.

The cases referred to consist of
alienations of lands made by the late
Maha Raja from the Kavals, gardens
and other lands in his private enjoy=
=ment after the British Assumption
of the administration. These cases,
it is believed, are not numerous.
The lands being no longer in the
possession of the Palace, it will be
convenient to treat them as private
lands, and determine whether they are
entitled to be held on a rent-free tenure,
or should be brought under full assess=
=ment.

2. These lands, especially the Kavals,
bore no assessment, as they were in
the enjoyment of the Maha Raja,

but

them cannot claim to hold them rent-free. The Maha Raja at the time he made these alienations had no authority to confer an Inam tenure. The alienated lands, therefore, are strictly liable for full assessment; but consideration should be shewn to the wishes of His late Highness in those cases in which he intended that the lands should form a provision for any members of his family. No general rules can therefore be laid down on the subject. On the Inam Superintendent submitting a complete list of all these cases, orders will be passed with reference to each case. —

3. The original minute is herewith returned. —

It is presumed that this is the letter a copy of which was called for in your no: 7921 / G. 1878 dated 13th November 1893, in which, however, the number of the Commissioner's letter is quoted as 19 dated 7th February 1861.

To

His Highness the
Maha Rajah of Mysore

Sir,

I have had the honor of receiving your

Highness' letter of the 7th Ultimo, no: 6, enclosing an original Urzie to your Highness from Khazana Bakshi Narasappa, soliciting an endowment for the Devastan and Dharam sale Chattram erected by him in the Town of Mysore.

The Bakshi's application contains three requests namely:-

1 That the same amount as is now expended for religious purposes, and illuminations in the said Devastan, may in future be granted by the Sirkar.

2. That land, the extent of which is not defined, may be granted for the support of the Chattram.

3. That the shops in the Premises of the Chattram may be exempted from taxation.

Although the reduced state of the Muzroi funds in consequence of the enormously enhanced price of every article of expenditure for several years past, can ill afford a further drain upon them; and not withstanding that the Bakshi has not fully conformed to the revised rules for regulating the endowments to Chattrams, dated the 22d July 1846, yet on

of consideration for your Highness' feeling of interest in the matter, and an ardent desire to meet your Highness' wishes, I have signified to the Superintendent of Ashtagram my request that Narasappa's application may be complied with as a special case, although it cannot fail to take away from the merit to which he would otherwise lay claim on religious and charitable grounds.
